Dare To Believe

Words by Ray Boltz, Music by Ray Boltz and Steve Millikan

You're standing at a mountain
That you know you cannot climb
Your enemy's approaching
You hear him coming from behind
There is trouble all around you
There's no place to run away
**But there's a voice
That's deep inside you
Saying it's time to stand in faith**

CHORUS:

**I dare to believe
That miracles happen,
That mountains still move,
And demons must flee
For the God that we serve
He is much more than able
So don't be afraid
Stand up and say,
I dare to believe**

There's a miracle inside you
It's just a mustard seed of faith
But by the mighty hand of God now
You know that tiny seed was placed
And though this world
May try to crush you
It can never keep you down
Soon the life of God inside you
Will come breaking through the ground

CHORUS

**No matter what the doubters tell you
No matter what the devil says
No matter what anybody,
Anybody else does**

You just keep trusting Jesus
You'll see and won't be long
God is right and the doubters are wrong
Just say,

**I dare to believe
That miracles happen,
That mountains still move,**

**And demons must flee
For the God that we serve
He is much more than able
So don't be afraid
Stand up and say,
I dare to believe**

**No don't be afraid
Just stand up and say,
I dare to believe
No don't be afraid
Just stand up and say,
I dare to believe**

“BELIEVE”

"Dreamer"

Love woke me up this morning
With a memory
Love came and whispered a story
That awakened a dream

Imagine a beautiful castle
And a beautiful king
He left the comfort of his throne
To fight for victory

**I am a dreamer
Take me higher
Open the sky up
Start a fire**

I believe

Even if it's just a dream

Love woke me up this morning
And I ran to see
The king in the winners' circle
On the horse he won for me

**Only a king would do anything
To protect the kingdom**

**He left the comfort of his throne
To fight for victory**

**I am a dreamer
Take me higher
Open the sky up
Start a fire**

I believe

Even if it's just a dream

Love woke me up this morning
And I ran to see

The king in the winners' circle
On the horse he won for me
