Glory to God! And My Lord Jesus Christ!

That automatic font color change within my web page
publisher program happened yet once again just now!

Glory to God!

At The Lord’s prompting, after completion of this mornings message,
He had me search through the Phoenix Archives that I have here at

Phoenix Seven, and locate the original announcement for the First Joyful Noise, that I was involved with while at Victory Landmark, almost five years ago.

The following as He so guides, is a reproduction of that announcement:

An Evening of Joyful Noise

An Evening of Joyful Noise Unto the Lord...

An outstanding evening of praise and worship, and outstanding gospel music, will highlight this evening of true praise and “joyful” noise unto our Lord.

We at Victory Landmark are honored to host Ms. Sondra Burnett, The West Sisters and other fine gospel voices from other area churches. This event promises to be a true blessing as we lift our voices in praise and worship on this springboard into Thanksgiving.

We are so ever thankful to God and his Son Jesus Christ, for his many blessings given to us, and so look forward to any chance to praise and uplift them.

November 23, 2002 - 7 pm.
