We thank God for you and what He is doing in your ministries. My name is Pastor Sammy Kevin, I am in Africa Kenya. I have gone through your website and thrilled, I therefore feel moved by the Spirit of God to

invite you to come to my country for a big gospel revival crusade and church leaders conference. Kenya is ripe and thirsty of an outpouring. We believe God has put a prophetic word in you for our land also in such a time like this.

I as the pastor, want you also to be my mentor in leadership and christian ministry. Pliz respond to me soonest and may God bless you thorough.
